

Shotley Bridge Primary School
Pupil Premium Statement 2017-18

Pupil Premium is an additional government grant, which is added to the main funding that schools receive in their annual budgets. Pupil Premium is allocated to pupils who are currently registered for free school meals or who have received free school meals at any time in the last six years (known as 'Ever 6, FSM'). The funding for these children is £1,320 per year. Children who have parents in the Forces are allocated £300 per year. Any 'Children Looked After' or 'Adopted from care' are allocated £1,900 and an amount of this is retained by the Local Authority to provide for them.

The aim of the Pupil Premium funding is to support eligible children who may be vulnerable to under-achievement and address any attainment gaps. As well as focusing upon academic endeavours, it may also be appropriate to provide support to nurture their well-being and to provide these children with access to a variety of enriching experiences.

The class teachers, SENCo and SLT analyse and determine the different ways in which Pupil Premium money can be used to support the varying needs of the children. The progress and attainment of those pupils who are in receipt of funding and relevant interventions are reviewed at regular Pupil Progress meetings.

Number of children eligible: 54 at time of funding allocation/61 at end of academic year.			Total PP budget: £76,840
