

# Spring Term Newsletter

## End of Week 9 of 11

### March 12<sup>th</sup> 2021

Dear parents/carers

What a happy, friendly, smiling, positive, successful, productive week in school. It has been wonderful to have a full school Staff and children alike have thoroughly enjoyed being back together. Hopefully, cases will continue to reduce, we all will continue to follow guidelines to keep everyone safe and we can avoid further closures and even periods of self-isolation. Good luck to those children who have not been able to return yet due to Covid, we can't wait to see you next week.

This week we had our first whole-school Friday assembly with every child watching from their classrooms. Congratulations to all those who received Headteachers awards. Congratulations also to our Book-in-a-box winners. From Class 1 to Class 14, Seth, Louis, evie, Amelia-Rose, xxxx, Talulah, Max, James, Ellie, Riley L, Grace, Isla, Molly and Bethan. Well done to ever boy and girl that made a book-in-a-box. Your talents and efforts are super.

**Mothers' Day.** Children have made cards and gifts for special ladies this week. Every clas/year-group has also put together a short video for you all. Please have a look at Shotley bridge Primary School youtube to find your classes video. We hope you are all spoiled rotten on Sunday. I will use this as a reminder for me and Jemima to get card making tomorrow.

**Red Nose Day.** Friday 19<sup>th</sup> is Red Nose Day 2021. Comic Relief is one of the charities we support each year. Staff will provide fun activities next Friday and we hope to see everyone dressed up. This year's theme is Dress to Donate. Suggestions include Superheroes, real or made-up. In truth, we are happy for children to dress up in any way that makes them most happy. Have a look at the Comic Relief website for lots of ideas. Mrs Coombe will set up a School Money page for donations next week. <https://www.comicrelief.com/rednoseday/schools/primary/>

Enjoy this weekend. It's looking like a lovely, sunny one.

Only 17 days to go till March 29<sup>th</sup> when local travel restrictions are lifted and we can drive to the beach, the Lakes etc!!!! That's when we can even have friends in our gardens and we can meet more friends in public outdoor places.

Thank you to every boy and girl for your smiles, positivity, humour, resilience, talents, skills, creativity, efforts etc... etc... every day.

Thank you to every parent/carer and grown-up for your continuing efforts and sacrifices.

Thank you to the whole staff team at SBPS.

Take care.

Yours sincerely,

Mr Bell
