## Please resist...

While we are all for being active and taking 'sensible' risks, please don't let your children climb the trees at either of our sites. The ones in the R/KS1 yard have become particularly appealing during drop off and pick up. Please encourage your children to keep two feet on the ground.

## R/KS1 Main Entrances

We are so special, that we have two! The main entrance at the office is only accessible until 8.50am to give you time to leave before the gate is locked at 8.55am. After this time, the main entrance which leads into our school hall can be accessed by ringing the bell on the gate. The gate can be found at the bottom of the drive and is now clearly signposted. 😊

### Strike Action: Tuesday 28<sup>th</sup> February

As of yet, I have no information about which classes will be able to come into school on the 28<sup>th</sup> February. We hope to run all after school clubs as we did last time. I will share information with you as soon as I have it. Thank you for your continued support!

### Goodbye and Good Luck Mrs Mohebbyan

Today we say a huge thank you, goodbye and good luck to Mrs Mohebbyan. She has worked across both sites for several years and during this time she has been a huge support to the children and staff. We are all very sorry to see her leave but know that she will be extremely successful and busy in her new venture. Good luck Mrs M!

### Extreme Reading Challenge!

We know that the children of SBPS love to pick up a book and escape to another world... whether that be independently or with an adult! We would love to see you all taking part in some extreme reading this half term. Where do you enjoy reading a good book? Outdoors? Under the kitchen table? Under your duvet with a torch? With your pets by your side? Email your snaps to Miss Reid and watch out for your face around school!
